Sofa

HAWORTH

Kennedee designed by Jean-Marie Massaud

Kennedee seating reinterprets the traditional sofa with its modular components. Leather upholstery and handstitched quilting on the back and seat cushions highlight the artisanal craftwork. A variety of pieces create elegant configurations to furnish any lobby, lounge, or welcome area.

Details

- Upholstered in Pelle Frau® ColorSphere® leather
- Quilted with an X motif in contrasting hand stitching
- Seat structure is solid beechwood with steel feet
- Back and armrests are beechwood and medium density fiberboard (MDF)
- Spring system constructed with elastic belts
- Cushions, back, and armrests are padded with polyurethane foam and polyester wadding

Sustainability

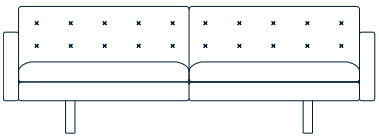

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.

Jean-Marie Massaud
Jean-Marie Massaud has dedicated himself to industrial and furniture design. Born in Toulouse, he worked both in Asia and in France before opening his own office in Paris in 1994. His contextual approach centers on research into the essential and a focus on the individual. Since collaborating with Marc Berthier his work in city planning has led him towards design and architecture. Many of his designs are in the collections of major museums worldwide.
