

Basket 011

Sofa

The Basket 011 sofa features a double set of feather cushions and a generous width to comfortably surround and embrace sitters. A novel, leather-wrapped cord detail connects the cushions to the frame. The basket-like profile creates a sense of privacy in open floorplans, informal lounges, meeting areas, and lobbies. Basket 011 lounge chairs complement the sofa.

Ronan & Erwan Bouroullec
Born in France, the Bouroullec brothers are considered rising stars of the design world: bold and reflective, poetic and—at the same time—passionate. Their work has covered a wide range, from small objects to architecture, from craftsmanship to industrial scale, from drawings to videos and photography. Many pieces have been featured in publications and museums globally.
