# Matisse

Sofa

Made with an aluminum frame and JANUScoat finish, the Matisse sofa system is weather-resistant for outdoor environments, and it's also suitable indoors. With six modules available, you can design and specify Matisse for your unique applications. The complementary Matisse side chair, lounge chair, and coffee table can help complete a space.

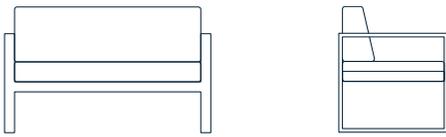

#### Details

- Modules can be used individually as lounge chairs or with standalone and modular components for custom configurations
- Coordinating polyvinyl mesh seat and weather-resistant back cushions with reticulated foam for enhanced drainage and drying time
- Aluminum frame with durable, protective JANUScoat powder-coat finish
- Ganging clips included
- Matisse family also includes a side chair, lounge chair, and coffee table

#### Sustainability

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.
