HAWORTH

Riverbend

Sofa

HAWORTH

Riverbend designed by Fletcher Vaughan

The Riverbend™ sofa is a free-flowing seating solution for high-traffic spaces. Each modular component has a modern, geometrical design. With numerous sizes, shapes, back heights, and color options, Riverbend offers endless customization options—and the flexibility to reconfigure as needed.

Details

- 22 pieces in various shapes and sizes to create custom configurations
- Applications suit commercial, education, and healthcare spaces
- High-back sofas minimize distractions
- Mid-back and low-back sofas encourage interaction
- Concave, convex, and square corner pieces create 60° or 90° angles
- Optional AC and USB power modules for device charging

Certifications

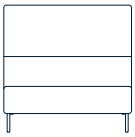

- BIFMA LEVEL® 3 Certified
- GREENGUARD® Certified

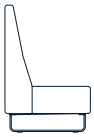

Sustainability

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.

Fletcher Vaughan
The founder, designer, and creative director for Fletcher Systems is self-taught, having gained his skills and strong design perspective through practice and observation. Born in New Zealand, Vaughan is both designer and artist, influenced by nature and the beautiful New Zealand terrain. His philosophy is to keep things simple and practical—designs that are well considered, honest, and strong.
