

HAWORTH emeco

Alfi

Stool

Made from reclaimed and responsibly selected materials, Alfi seating reflects an appreciation for the invisible qualities of simplicity. Alfi counter and bar stools have a timeless design and a solid wood base. High- and low-back options make Alfi ideal for spaces where people gather—from break areas to cafés and lobbies.

Details

- Seat shell is 100% reclaimed, sustainably sourced wood fiber blended with recycled polypropylene; available in six colors
- Base and legs are made from solid ash wood, with glides
- Optional removable slipcover in fabric or leather has structured foam and slips on and off with ease; high-back and low-back available
- Alfi side chair and Alfi Aluminum side chair also available

Certifications

- Meets ANSI/BIFMA X5.1 Standard for General-Purpose Office Chairs

Sustainability

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.

Jasper Morrison

Born in London, Jasper Morrison attended the Royal College of Art and established his first design office in 1986. Immediately afterward, he began his long-standing collaboration with Cappellini. In his collaborations with companies such as Alessi, Flos, Rowenta, Sony, and Samsung, he strives for minimal elegance in modern archetypes linked to the past—favoring function of expression.
