

HAWORTH
JANUS et Cie

Knot

Stool

Crafted to withstand the elements, Knot seating and tables are perfect for furnishing inviting spaces, both indoors and outdoors. The stool features an intricately handwoven back composed of sturdy, weather-resistant olefin ropes and a modified reef knot. The technique creates intriguing shadows and patterns, as well as flexible comfort.

Details

- Aluminum frame with JANUScoat™ powder-coat finish
- Seat made of olefin straps
- Back made of handwoven olefin rope
- Olefin fibers resist moisture, UV rays, sagging, and abrasion
- Weather-resistant foam cushions
- Reticulated foam cushions available for shorter drying time
- Stainless-steel hardware
- Coordinates with Knot chairs, sofas, and tables

Sustainability

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.
