

HAWORTH

Tilt

Stool

Tilt™ is a comfortable, height-adjustable stool that tilts as you move, promoting posture changes while seated. Its rounded, tilting base allows leaning while sitting. Tilt's simple form and intuitive functionality are a great fit in dynamic spaces where people interact.

Details

- Steel column has pneumatic height adjustment from sitting (23.5", 579 mm) to standing (34.75", 883 mm) height
- Rounded, tilting base lets users lean forward, back, or side-to-side while seated
- Seat is black urethane
- Base is structural urethane covered with steel
- Base colors: Accent Orange, Black, Graphite, and Smooth Plaster

Sustainability

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.
