HAWORTH

Very

Stool

HAWORTH

Very designed by Nikolai Czumaj-Bront and Michael Welsh

Very® stools blend modern, refined design with light-scale form, helping them adapt to various spaces. Their elevated height encourages activity and posture changes, and fosters a more open, engaging atmosphere. As part of the broader Very family, they help create a consistent look and feel across the floorplate.

Details

- Stools include conference, side, and wire stackers
- Conference stool has 9" (229 mm) height adjustment, aluminum or plastic 5-star base, footring, and weight-assisted recline mechanism
- Stool seat and back made from high-strength polymer, stack five high on the floor
- Wire stacker stool seat and back made high-strength polymer, frame made from durable .43-inch (11 mm) steel rod; available painted or in trivalent chrome
- Very office chair, side chair, seminar chair, and conference chair also available

Certifications & Awards

- BIFMA LEVEL® 3 Certified
- GREENGUARD® Gold Certified
- Best of NeoCon – Gold Award
- Best of NeoCon – Silver Award

Sustainability

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.

Nicolai Czumaj-Bront
Nicolai Czumaj-Bront has been with the Haworth Design Studio since 2005. He has designed award-winning products such as the Very, Fern, and Breck chairs. From 2014 to 2018, Nicolai relocated to Berlin, Germany as the European Design Lead for the Haworth International Design Studio. Now back in the US, Nicolai collaborates globally as he leads Haworth’s Ancillary Design Studio.

Michael Welsh
Michael Welsh is a former designer for the Haworth Design Studio. His approach balances the complexity of performance with simplicity in design to make seating feel natural. Michael is driven to create life-enriching designs that provide a more human, natural, and desired experience.
