

HAWORTH

# Intuity

Benching

Intuity® benching makes it easy to design dynamic, collaborative environments. Its simple kit of durable parts and add-ons lets you make quick and simple changes. Intuity integrates well with other Haworth products and has many finish and material options. Especially in smaller office footprints, Intuity benching helps maximize space—now and for the future.

## Details

- Easy to install and adapt to changing needs
- Can incorporate gallery panels and accessories for design flexibility
- Add-on kits allow quick, easy bench extension and additional configurations
- Rectangular and 120° worksurfaces

- BIFMA LEVEL® 3 Certified
- GREENGUARD® Certified
- FSC® Certified – Chain of Custody Code: SCS-COC-001218 –  
Haworth trademark license code: FSC-CO02821

## Sustainability

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.

## **Haworth Design Studio**

The Haworth Design Studio collaborates with research and development partners worldwide to identify, develop, and launch innovative products. With design centers in three key locations—China, Germany, and the United States—the team focuses on creating multi-generational products and global platforms designed with regional needs and preferences in mind.

## **bangdesign**

David Granger and Bryan Marshall founded bangdesign studio in Sydney in 1989. Bangdesign focuses on fresh solutions and the story behind the design. The studio continues to be a prominent name in the design industry, known for its impactful and well-crafted products.
