HAWORTH

Masters Series

Tables & Desks

HAWORTH

Masters Series designed by Steffen Lipsky

Masters Series® tables and desks provide a sturdy and stable foundation for private office needs. With generous worksurfaces, ergonomic design, and ample storage, they support good posture and keep workspaces organized. The product line is tailored to inspire with flexible laminate and veneer options, allowing for deep customization to suit any aesthetic. Durable materials withstand the rigor of daily use, and elegant designs complement any workplace style.

Details

- Choose from premium veneers, laminates, glass, and custom options

Sustainability

We are committed to designing all Haworth products using circular design principles through sustainable materials, product use extension, and responsible end of life.

Made in the USA

Steffen Lipsky
Born and raised in Riesa, Germany, Steffen is a principal designer with Haworth Design Studio. He has nearly two decades of industry experience in Germany, Italy, North America, and Australia. He is also an avid bicyclist, mountaineer, and kiteboarder. For Steffen, physical endurance is an outlet—a way to press the reset button, and a purposeful methodology that influences his design approach.
