HAWORTH

NOW

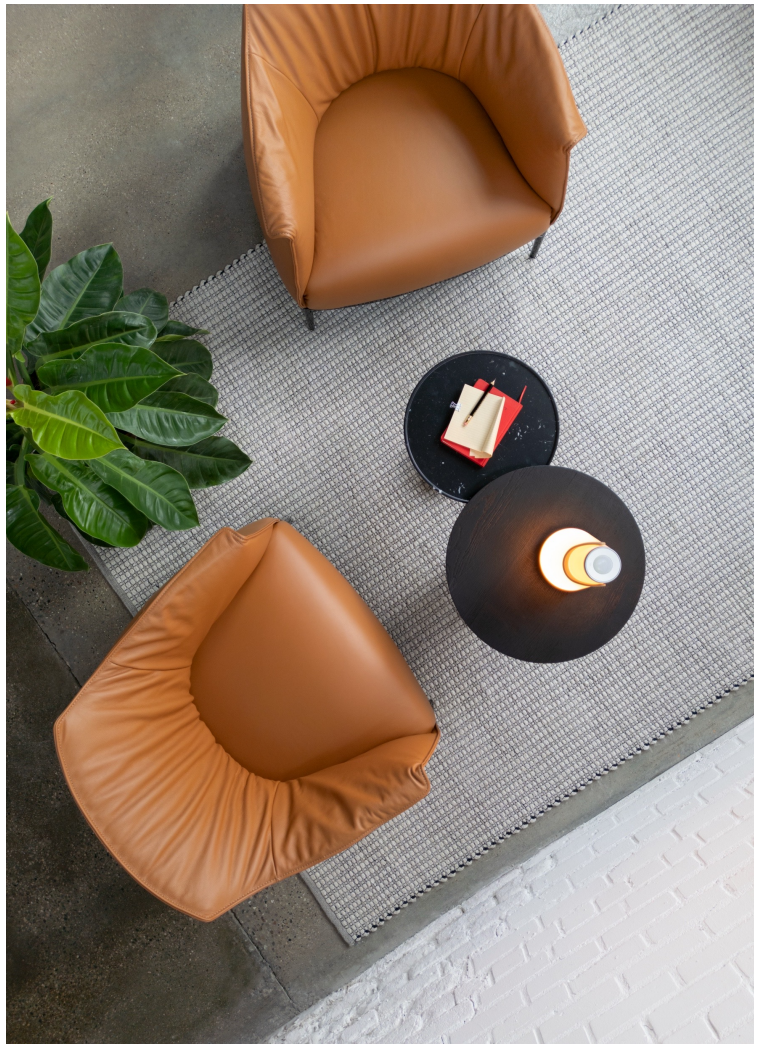

Haworth NOW
is the easiest way to
furnish complete spaces with
confidence, speed, and simplicity.

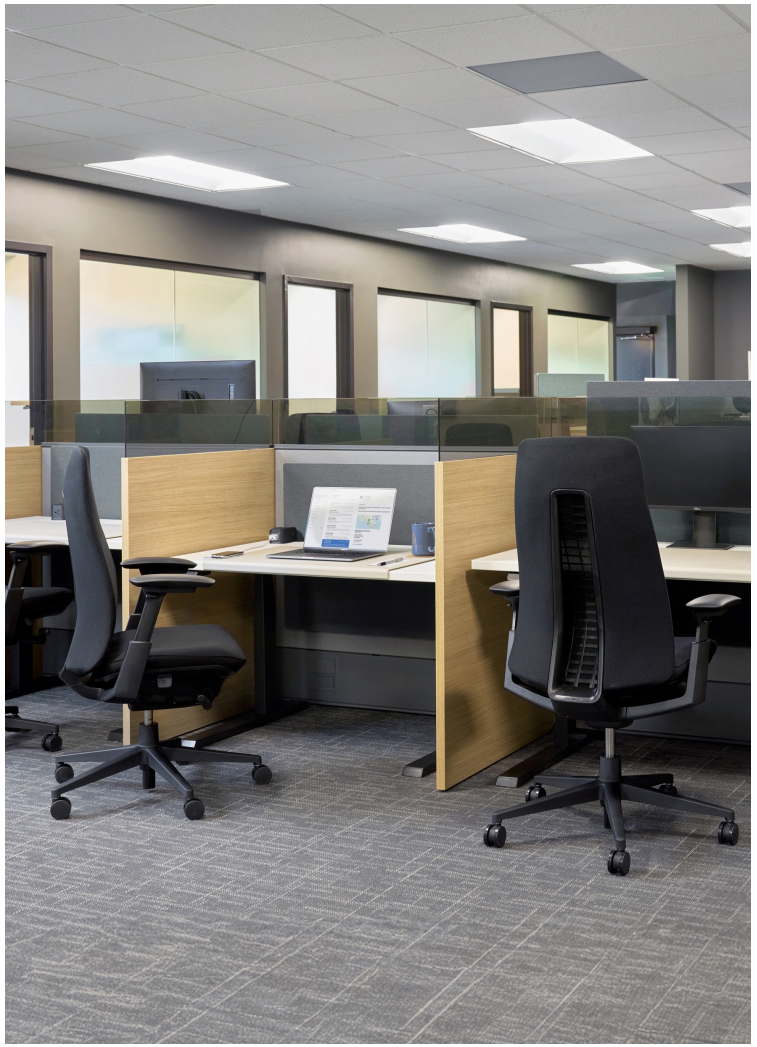

Complete Spaces.
Ready When You Are.

Haworth NOW brings together proven products from Haworth and leading global design brands, making it easier to create cohesive spaces with confidence, speed, and simplicity.

Create the Spaces That Matter.

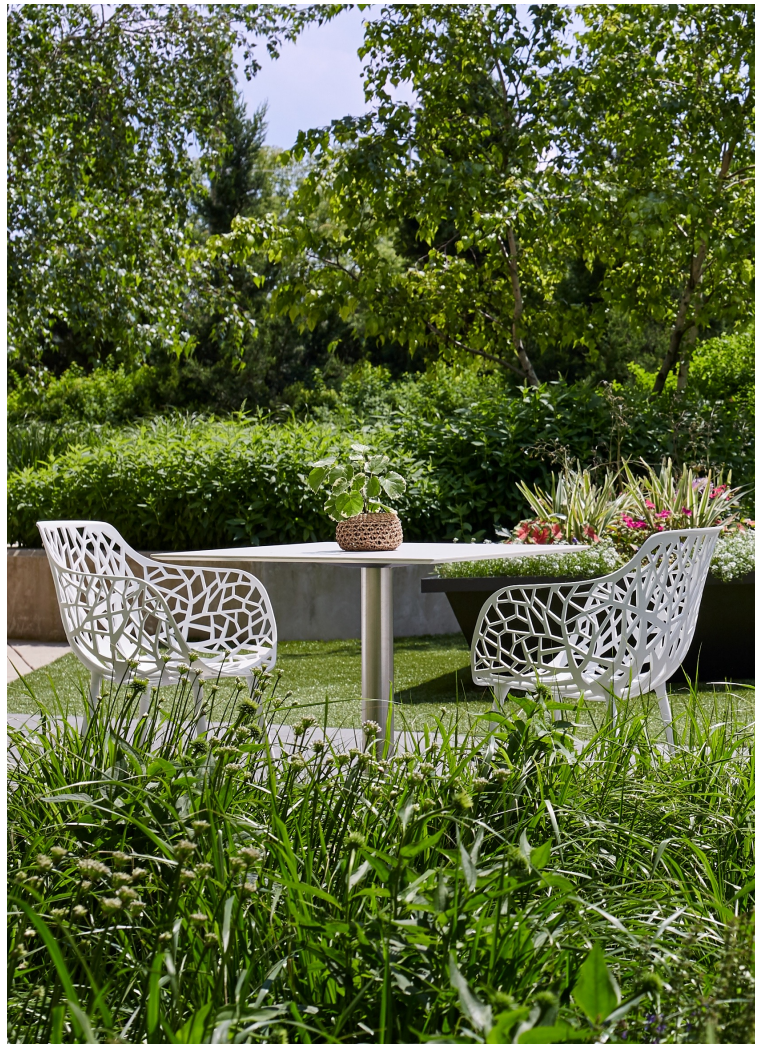

Create the Spaces That Matter.

HAWORTH

More Than a Collection of Products.

Every layer contributes to how the space looks, feels, and performs.

HAWORTH

A World of Design.
One Coordinated Portfolio.

zanotta:

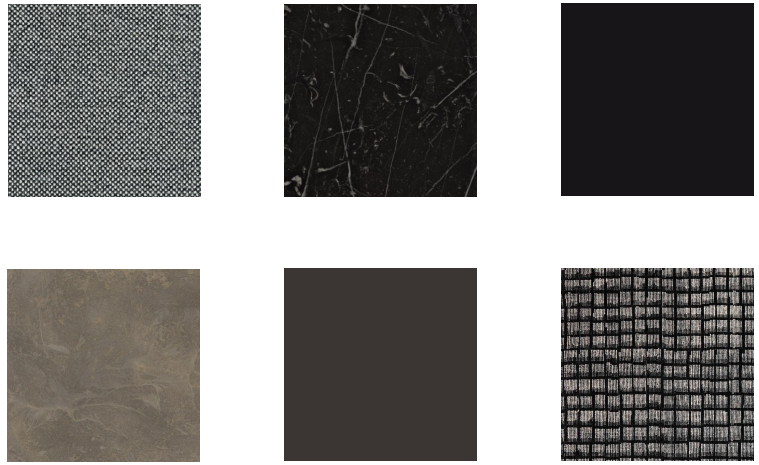

Curated to Coordinate. Designed to Simplify.

A neutral-centered palette and coordinating colors make it easier to combine products across the program and integrate new selections into existing environments.

Light Neutrals

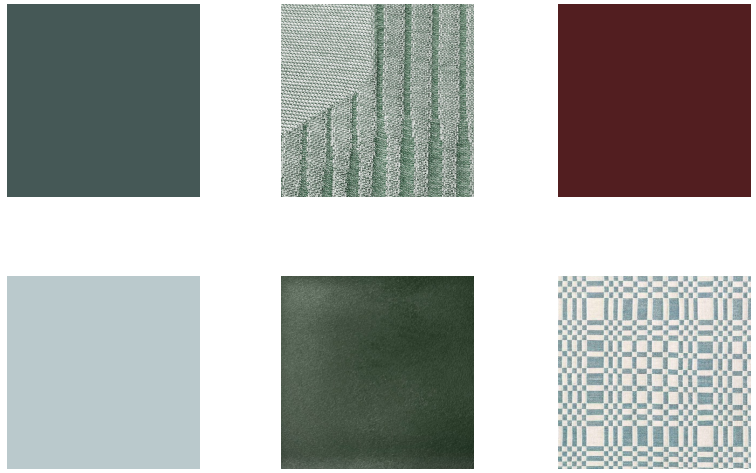

Dark Neutrals

Wood Tones

Soft Accents

One Foundation. Different Expressions.

Light and Refined

Warm and Welcoming

Graphic and Modern

Built for Real Projects.

A New Space

Create a cohesive environment with a dependable starting point.

A Growing Team

Add personal and shared spaces as needs evolve.

A Project Gap

Address an unmet need without disrupting the broader design direction.

A Refresh

Update an existing environment with coordinating products and finishes.

From Vision to Selection.

Define the Environment

Identify the people, activities, and experience the space must support.

Establish the Palette

Select the material and color direction.

Build the Setting

Choose coordinated products across the categories needed.

Confirm and Fulfill

Review current product details, availability, quantities, and project requirements with the Haworth team or dealer.

Your Vision. A Clearer Path Forward.

1

Design With Confidence

Proven products and bestsellers from respected brands

2

Create Complete Spaces

Coordinated solutions across workplace applications

3

Move Forward With Certainty

A curated portfolio supported by a 7-business-day promise
