HAWORTH®

Compliance Statement

Suite™ products are designed and tested for durability, safety, comfort and appearance under normal use based on our internal test standards and those recommended by the Business and Institutional Furniture Manufacturer's Association (BIFMA).

Suite products meet and/or exceed performance testing requirements of the applicable sections of **ANSI/BIFMA X5.5-2014, Desk/Table Products – Tests and ANSI/BIFMA X5.9 – 2012 Storage Unit Tests.** Testing was performed by Haworth's Reliability Lab, which is accredited for ANSI/BIFMA testing by the American Association for Laboratory Accreditation.

Suite Height Adjustable Desk/Tables are listed to **UL-962 Household and Commercial Furniture Requirements and CAN/CSA-C22.2 #68 Motor Operated Appliances** (Household and Commercial).

Copies of ANSI/BIFMA testing standards can be obtained from BIFMA at www.bifma.org
