PLACES® VERTICAL STORAGE UNIT GRID
Installation Instructions

NOTE: Grid must be installed on the tackboard prior to installing accessories.

1. Remove tackboard from Vertical Storage Unit.
2. Slide left and right grid brackets onto grid as shown in Figure 1.
3. Slide grid assembly onto tackboard (Fig. 2). Make certain that the grid brackets are seated firmly on top of the tackboard.
4. Replace tackboard onto Vertical Storage Unit.
